But as Govt officers going on Palace duty draw t.a. from State funds (some cases of officers going on duty in connection with the duty Palace are within my memory) under the principle that pay & t.a. should be debited to the same head, should not the Palace authorities draw t.a. in the same cases he travels on Govt duty from the Palace? Please discuss this aspect.

There are also other Govt Servants such as Silledars of the I.S.R and L.S.R, &c who do Palace duty and yet are given batta from Govt.

Art 824 A lays down that ordinarily the DA will be debitable to the same head as pay; and there to this rule there are exceptions, one of which ((b) of Art 824 A) states that the DA of a Local Fund Offr may be debited to General Revenues & Vice Versa.

Like a Local Fund Offr, the Palace Offr belongs to a Foreign Service and there is nothing to prevent ~~the Govt arrangement to the reverse~~ a reciprocal arrangement being established in the payment of DA of Palace and Govt Officers. Two files in which the debiting and Countersignature have been already discussed & decided are put up for reference in this Connn

In the particular case of the journeys performed by Mr Ramakrishnadas for attending meetings of the Sanskrit Education Committee, if Govt have already issued orders directing that his t.a. should be charged to the Edn Budget. It is therefore perhaps not possible to go back on these orders now.

To have the question open for discussion and consideration in other cases, a special addition is suggested in the order proposed.

NOTE.

Dated 12th February *1916.*

D.O. letter No.1411 dated 29th January 1916 from the Offg. Huzur Secretary to His Highness the Maharaja, regarding the daily allowance admissible to the Palace Controller for halts made in the course of journeys performed on Government duty.

W° No 1411

Jaya Mahal, Malabar Hill,
Bombay, 29th January 1916.

Dear Mr. Hiriyannaiya,

The question of the Daily Allowance admissible to the Palace Controller for halts made in the course of journeys performed on Government duty having recently arisen in a case in which a claim put forward by that officer to a Daily Allowance of Rs.5/- was held under objection by the Comptroller to Government, I am directed to state that, after a consideration of all the circumstances of the case including the fact that the position of Palace Controller is one of some responsibility, the officer chosen being, even though selected from the ranks of Assistant Commissioners, expected to exercise control over Bakshis of Palace Ilakhas who are themselves entitled to a Daily Allowance of Rs.4/- for halts made during journeys on duty, His Highness has been pleased to order that the Palace Controller should, as such, be entitled to a Daily Allowance of Rs.5/- which is the same as that allowed to him in the Palace.

I am accordingly to request you to kindly place the matter before the Dewan with a view to orders being kindly issued fixing the rate of Daily Allowance of the present Palace Controller as well as future incumbents of the office at Rs.5/- per day irrespective of the Allowance they may be entitled to in virtue of their rank under Government.

The orders may have effect from 1st February 1916 but the enhanced allowance claimed by the Palace Controller in his Travelling Allowance Bill for August 1915 which is held under objection by the Comptroller to Government may be passed as a special case.

Yours sincerely,

S.Hiriyannaiya, Esq., M.A., B.L.,
Private Secretary to the Dewan
of Mysore, Bangalore.
